Director/Founder

Gyandeep Jankalyan Shikshan Sanstha Family

Vision *

To act as a catalyst for the growth of IT, ITeS industries promote & encourage Information Technology and to represents Professionals, Companies, and Organizations involved in consulting, providing products and services pertaining to Information Technology sector at National and International level.

Mission

To collaborate with various National and International Industrial Organizations/Government Bodies and work towards a common objective of sustainable growth, leadership, encourage & safeguard interests of IT industry.

To be the single source for quality assurance in computer education among the nation's non-formal institutes, after turning out competent IT professionals in large numbers, GDJKSS reach is now being extended to all regions of the country with 150 + ALCs in just 2 years.

Objectives

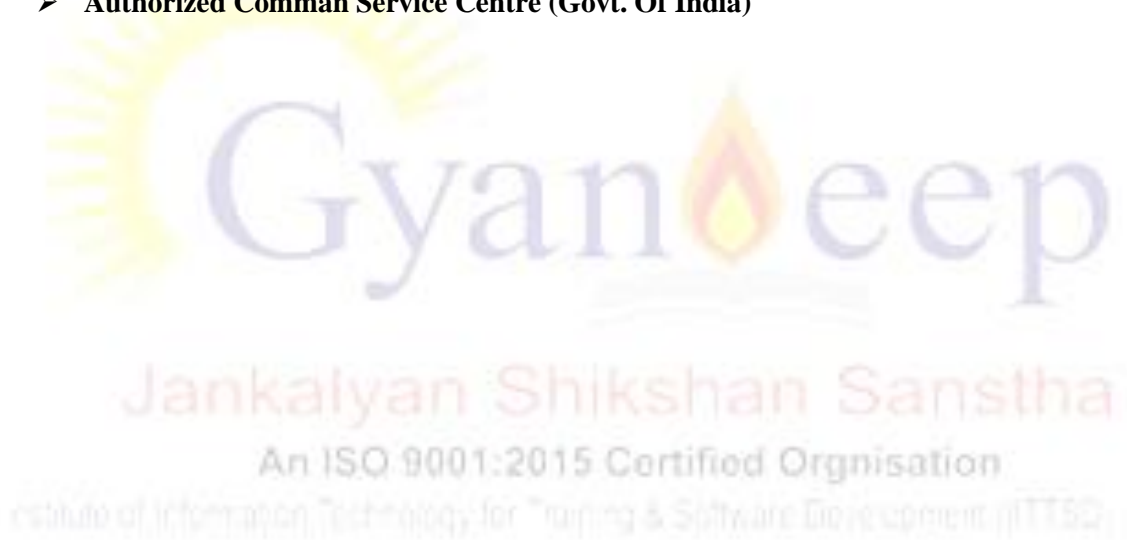

In present time, some big Institution run their certificate/ diploma programme in higher charges, due to which the lower and middle class families of our society cannot afford the load of their charges. Our mission studied their theme properly and decided to provide better higher technical education in computer for every sector of society in affordable charges all over India For which **Gyanadeep National Excellence Awards** are organized twice a year in which all the students are given a special type of discounts and honors in computer courses, beauty parlor, sewing etc. for the part of which to visit this website for more information - www.gyandeepjkssawards.org.
